SHAKE INTO SPRING!

The Rialto Social Committee invites you to join On The Rox Bar Co. in the clubhouse for an evening of mocktail making on Thursday, April 3 from 6-8 PM.

Bring out your inner mixologist while you shake, stir and sip your way through a fun-filled mixology class. You'll craft three mocktails, with mixers and fresh garnishes. Light appetizers will be available.

All the tools will be provided and you even get a shaker cup to take home with you. Vodka will be provided or attendees can bring a choice of their own.

Get ready for a lively hands-on experience and an evening of music, laughter & fun!

I ONLY SEE DAYLIGHT, DAYLIGHT, DAYLIGHT..

Thanks to everyone that came out for Sunday Funday! Nearly 200 residents joined us to wrap up the weekend and enjoy the first evening of daylight savings in early March. The 3rd Rialto Cornhole tournament included 18 teams - congratulations to Paul Scaletta and Paulie Scaletta on their win! Runners up were Sawyer Fasano and Gabe. Check out the new plaque made by Medallion Sports Jupiter on the inside of the clubhouse.

Our resident kids enjoyed outdoor fun on obstacle courses and playing relays with Crazy Games Florida in the green space. Thank you again to Dr. Chris and Shelley West with Family Orthodontics for being our event sponsor and handing out free kids ice cream from The Scoop Coop truck!

FLOWING WITH FENG SHUI

We hosted a class on Feng Shui at the end of February. The group enjoyed a discussion with Feng Shui expert, Megan Nelson, on how to transform their home into a peaceful, balanced, beautiful sanctuary.
